

## **Flint Cultural Center Academy School-Family Compact 2023-2024**

Dear Parents,

Flint Cultural Center Academy continues to update and improve our K-8 curriculums. In order for your child to have the best possible educational opportunities within FCCA, it is important that we can continue to have a partnership among the parents, students, and school. The teachers and staff of FCCA strive to make your child's experience and your experience the most successful as possible. Below you will find a School-Family Compact explaining suggested responsibilities within the partnership. This document was jointly created by Flint Cultural Center Academy staff, parents, and students. I trust that your child is benefiting educationally from the Title I program. In May, you will be asked to take a survey regarding this year's Title I program. If you have any questions regarding the Title I program please contact me at (810)339-8726 ext. 233. If you have questions regarding your child's progress, please contact your child's teacher.
